November, 2020

Greeting MS Basketball Parents,

As we prepare for this upcoming season, we are asking that as spectators you abide by the expectations that have been set forth by the schools within our conference. As a reminder, if you are not feeling well in any way, we ask that you stay home so that our athletes can compete and finish their season.

MS Athletic Event Expectations:

--social distancing will be enforced on the bench/sidelines/stands

--masks will be worn by athletes, officials, spectators and coaches

**--each athlete will be allowed to have two spectators attend each event. Each school will have a list of athletes on each team and will be keeping track of spectators that are attending for each athlete. There will be no passes provided prior to each game, however, if it becomes an issue, we will start to issue paper passes for athletes.**

--For home events, Cedar Grove Belgium spectators will be sitting on one set of bleachers while the opposing spectators will be sitting on the opposite set of bleachers. Please be mindful of maintaining the 6 ft social distancing requirements that have been set.

--7th grade parents please arrive between 3:50-4 and 8th grade parents please arrive between 4:50-4:55.

--As a reminder, we are representing the Cedar Grove Belgium School District. We ask that you abide by the regulations that have been laid out by each school within our conference.

If you have any questions, please contact me at [lmundt@cgbrockets.com](mailto:lmundt@cgbrockets.com)  
or 920-668-8518 ext 230.

Sincerely

Leslie Mundt  
MS Athletic Coordinator
